Call for Papers

The National Radio Science Committee (NRSC) of the Academy of Scientific Research and Technology (ASRT) and Electronics Research Institute (ERI) are organizing the 39th National Radio Science Conference from the 29th November to 1st December, 2022. The conference program will consist of invited sessions on selected topics, tutorials, and contributed sessions. The submitted papers must describe original work and be within the scope of International Union of Radio Science (URSI) commissions A-K, namely:

- A. Electromagnetic metrology
- B. Fields and waves
- C. Wireless communication systems and signal processing
- D. Electronics environment and photonics
- E. Electromagnetic noise and interference
- F. Wave propagation and remote sensing
- G. Ionospheric radio and propagation
- H. Waves in plasmas
- J. Radio astronomy
- K. Electromagnetics in biology and medicine

Review papers describing new trends and state of the art of some of the URSI activities are welcome. Accepted papers will be published in the conference proceedings conditionally upon presentation of the paper at conference venue. Presented papers will be considered for inclusion in IEEE Xplore. A special student session will host a limited number of posters presenting B.Sc. graduation Projects, without registration fees. Best papers and best student papers will be selected by the organizing committee for awards.
